To President Cheddi Jagan

It was great to be with you again. I appreciated having the opportunity to meet with you to discuss the future course of Guyana and hope the CGCED meetings this week will lead to greater prosperity for the citizens of your country.

Thank you, too, for presenting me with Guyana's National Order of Excellence award. I am honored to be chosen as a recipient of this important recognition.

Rosalynn joins me in sending you and Janet our warmest best wishes.

Sincerely,

The Honorable Cheddi Jagan  
President of Guyana

President Fagan

The Carter Center wants to help in appropriate ways, but the request must come from your government to the donors. We need for Minister Alby to Dr Uma Lela to work out together. This should be based on the evolution of a comprehensive, long-range plan within the next one-year period.

To President Janet Jagan

Rosalynn and I were saddened to hear that your illness has compelled you to step down from your post as President of the Co-Operative Republic of Guyana. We are thinking of you and will keep you in our thoughts and prayers throughout your recovery process.

I have enjoyed the close working relationship that we have developed since we first met during the Guyanese elections in 1990. I have always appreciated your support and enthusiasm for the work that The Carter Center has undertaken in your country. The staff of the Center join me in wishing you the very best.

Sincerely,
