GEORGETOWN,
BR. GUIANA, S. A.

10/11/58

Dear Comrade,

I am to again remind you of the decision of the General Council that members be circulated with a resume of achievements by the five ministers. To date I have received only two such reports - that of the Minister of Natural Resources and my own.

I can wait only one week more, after which time I shall circulate the two reports to members stating that I have not had the cooperation of the others.

Yours fraternally,

Janet Jagan
General Secretary
