

Representative of Polisario Front
300 E 40th St, 23rd
NY 10016

Dear Mr. Ahmed,

I had the honor to be present when the Representative of the Polisario Front spoke to the Fourth Committee. I have had a special interest in the work of the Polisario Front in seeking the decolonisation of the Western Sahara for many years, during which time I was the International Secretary of the People's Progressive Party of Guyana. Also, I attended ~~an~~ ^{an} international conference in the Western Sahara held some years ago. My party has been supportive of your efforts and I take this opportunity to express again our solidarity.
